

## HDR Update

Warm welcome back to the sunshine, high pollen count and swooping season of Spring.

Also, a warm welcome to our incoming candidates for Semester 2. I hope to meet many of you at our upcoming Induction starting on Monday 02 September. If you have not already registered please do so [here](#).

Behind the scenes we have been working hard preparing for the new Confirmation of Candidate process. We expect the new eForm will be available in September and will update you when it is ready. Everything you need to know about the new Confirmation of Candidature process can be found on the [sharepoint site](#).

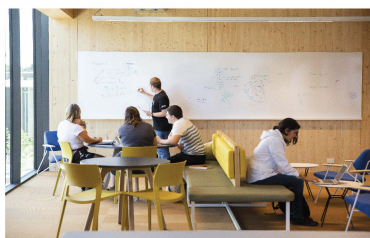

We have also been working on the process to deliver Oral examinations. We expect to be able to offer this as an opt-in examination option by the end of September. Details can also be found on the [sharepoint site](#).

If you have exciting methodological ideas to share please consider sharing them with us at Research Fest in December. Send an email to [researcherdevelopment@anu.edu.au](mailto:researcherdevelopment@anu.edu.au) with the subject line "Research Fest: Research Methods Presentations" and we will let you know how to get involved.

## Opportunities

**Workshop Series:  
Resilient  
Researcher**

**Workshop Series:  
Career Doctor**

Dr Shari Walsh, a registered psychologist is offering two sessions in September and October.

The first session will look at managing anxiety relating to difficult conversations; recognising conflict styles (in yourself and others) and learning to speak calmly and assertively in difficult situations.

The second session will help you better understand stress and research stressors. She'll also train you in daily actions for stress protection and strategies for managing extra stressful times.
