

United Polaris: Business class reimagined

Relax with a new level of quality in every element of premium cabin travel — from lounge to landing — and the best sleep in the sky. You can enjoy all aspects of the United PolarisSM experience on any long-haul international flight across our global network.

**UNITED
AIRLINES** 
A STAR ALLIANCE MEMBER 

On the ground.

Step into one of our elegant lounges and start your journey by relaxing, recharging or working until it's time for takeoff. United Polaris lounges are available exclusively to our international premium cabin travellers, with amenities including:

- Spa-like shower facilities with products formulated exclusively for United AirlinesSM
- Tucked-away area complete with daybeds, soft lighting and gentle white noise
- Elevated buffet selection or a choice of a full meal in a private dining space

On the plane.

- Plug in premium noise-reducing headphones and enjoy on-demand entertainment in the air.
- Receive a sleep-focused amenity kit to keep you relaxed and refreshed on extended flights.
- Sample a rotating menu of chef-designed meals paired with award-winning wines and champagnes.
- Relax with up to 198 cm of sleeping space.
- Enjoy extra comfort with custom Saks Fifth Avenue bedding.

United Premium Plus

Enjoy extra space and comfort on select flights with United Premium PlusSM. Available on all wide-body planes on international routes.
