Guarantee

43. The Licensee must at all times have in place a Guarantee for the due discharge of its liability to pay compensation and other amounts under the SRC Act in accordance with the scope of this licence.

44. Subject to the exceptions in conditions 45 and 46, the Licensee must obtain a new Guarantee under condition 43 each Financial Year.
45. If the Commission determines that the Licensee is a low-risk licensee for a Financial Year, the Licensee is not required to obtain a new Guarantee under condition 43 that Financial Year unless:
 - a) the required Guarantee amount for the Licensee for that Financial Year (as calculated under conditions 49 and 50) increases by \$300,000* or more from the required Guarantee amount for the Licensee for the Financial Year in which it obtained its existing Guarantee under condition 43 (as calculated under conditions 49 and 50); or
 - b) 5 years have elapsed since the Licensee last obtained a new Guarantee under condition 43.

Note: The \$300,000 value is subject to indexation (based on CPI) annually.

46. The Licensee is not required to obtain a new Guarantee under condition 43 for a Financial Year if the required Guarantee amount for the Licensee for that Financial Year (as calculated under conditions 49 and 50) is less than or equal to the Guarantee amount of the Licensee's existing Guarantee under condition 43.
47. The Guarantee obtained under condition 43 must be:
 - a) in the form and subject to the terms agreed in writing by the Commission; and
 - b) for an amount calculated by the actuary in accordance with the Guarantee conditions (conditions 43 to 53 inclusive) and specified in the Liability Report for that Financial Year; and

49. The Guarantee must be for an amount calculated by the actuary as the greater of:
 - a) the 95th percentile of the Licensee's Outstanding Claim Liability under the SRC Act in accordance with the scope of this licence at the Balance Date and the addition of the Excess Amount; or

- b) The 95th percentile of the Licensee's projected Outstanding Claim Liability under the SRC Act in accordance with the scope of this licence in 12/18/24 months* time from the Balance Date and the addition of the Excess Amount.
 - c) *Note: 12 months for Licensees in the 6th or more year of licence; 18 months for Licensees in the 4th-5th year of licence; 24 months for Licensees in the 1st-3rd year of licence.
 - d) Note: The liability calculations under condition 49 are to include an allowance for the cost of administering claims under this licence and be calculated net of reinsurance recoveries.
50. In calculating the amount of the Guarantee, the Licensee must direct the actuary to:
- a) calculate existing and projected estimates of the Licensee's Outstanding Claim Liability under the SRC Act in accordance with the scope of this licence to the 95th percentile and to include this result in the Liability Report; and
 - b) base the calculation on a full statistical analysis of data, trends and variability and according to any relevant IAA standards and guidelines on liability valuation for general insurance.
51. If the Licensee obtained a Guarantee under condition 43, the Licensee may at any time provide to the Commission a new Guarantee obtained under condition 43 that, if prepared in accordance with conditions 47, 49 and 50, will replace the existing Guarantee obtained under condition 43.
52. If the Commission identifies a financial risk with respect to the suitability of the financial institution from which the Licensee has obtained its current Guarantee under condition 43 and requests, after consulting with the Licensee, that the Licensee obtain a new Guarantee under condition 43, the Licensee must:
- a) comply with this request within 3 months or, if applicable, an alternative timeframe specified in the request; and
 - b) ensure that the new Guarantee is prepared in accordance with conditions 47, 49 and 50.
53. If the guarantor under a Guarantee obtained by the Licensee under condition 43 discharges its financial obligation under that Guarantee by making payment to Comcare of its total liability or amounts which when aggregated equal its total liability, Comcare must return that Guarantee to the guarantor.

Reinsurance

54. The Licensee must maintain an appropriate level of reinsurance to limit its liability to pay compensation and other amounts under the SRC Act in accordance with the scope of this licence from an insurance company that is authorised by APRA to carry on insurance business under the *Insurance Act 1973* (Cth) (**Reinsurance Policy**).
55. The excess of loss amount applicable under the Reinsurance Policy for any single event (**Excess Amount**) must not, unless the Commission directs otherwise, be higher than the Recommended Excess Amount.
56. The Licensee must:

- a) if an amended reinsurance policy or a reinsurance policy from a new provider is obtained under condition 54, provide a copy of that reinsurance policy to the actuary and the Commission within 130 days of the start of the first Financial Year to which that reinsurance policy relates;
- b) provide a copy of the current certificate of currency for the Reinsurance Policy to the Commission within 130 days of the start of the first Financial Year to which the certificate of currency relates;
- c) notify the Commission of any increases to the Excess Amount in the Reinsurance Policy; and
