Welcome to ANU Carshare
Services provided by GreenShareCar

ANU carshare offer a flexible, affordable and sustainable transport option so that you can book and drive a vehicle and pay by the hour, or by the day, for either business or private use.

ANU has engaged GreenShareCar to provide a carshare service to University Personnel. This service provides access to a fleet of 14 vehicles, available 24/7 at various locations around campus.
It’s quick and easy to join:

1. **Register as a member online**

   Click the ‘Register/Make a Booking’ button at the top right hand side of the page. Enter your University ID and password and complete the registration form, this includes providing a front and back scanned copy of your driving licence.

   **You must have 12mths driving experience to be approved.**

2. **Scan your University ID card**

   Your University ID is your access to the vehicle.

   To facilitate this, ANU Personnel who join ANU and have a card issued after 6 February 2017 will not need to scan their card with us. ANU personnel whose ID card was issued before 6 February 2017 will need their ANU ID card scanned by the ANU carshare team at ANU Fleet Office, Building #53, Garran Road. The office is open for scanning between 9.00am and 12.30pm - 1.30pm to 4.30pm every day.

   To ensure that someone is available to assist you, please contact ANU carshare on 612 57051 or carshare@anu.edu.au prior to coming down.

3. **Book**

   You can create, manage or cancel bookings at any time of the day via the website www.anu.edu.au/carshare.

   Your booking will be confirmed via email from GreenShareCar.

4. **Drive**

   When the time has arrived, your vehicle will be ready at the designated parking bay. Simply swipe your University ID over the card reader on the windscreen to unlock the vehicle, keys will be waiting inside the vehicle, complete the pre-vehicle checks and away you go.

5. **Return**

   Return the vehicle to the pickup location with a minimum half a tank of fuel, report any damage to GreenshareCar, then swipe your University ID card on the windscreen to lock it and leave.
A few simple rules

1. **Always check the vehicle before you drive**
   If you notice any damage, car is unclean, tank not half full etc, and ensure you report this before you drive to avoid being held liable.

2. **Keep it clean**
   Take personal belongings with you when you go and bin any rubbish.

3. **No smoking**
   Smoking in the vehicle is strictly prohibited, regardless of whether the windows are down or the doors open.

4. **No pets**
   Unfortunately pets are strictly prohibited.

5. **Fill it up**
   Always leave at least ½ a tank of fuel. If you need to fill up, use the fuel card located in the in the black holder in the glove box. The fuel card (MotorPass card) provides you with access to 80% of all service stations (inc BP, Shell, Caltex). See the web link on the ANU carshare website for further information.

6. **Return on time to same location.**
   To avoid late fees, please ensure you return the vehicle by the end of your booking period in the correct ANU carshare space. If for unforeseeable reasons you are unable to return the vehicle on time, you cannot extend online, or park in its original space, call the GreenShareCar Call Centre on 1300 575 878.

7. **Obey the law**
   It is important you obey all State and Territory road laws in order to protect the safety of you, your passengers, other road users and pedestrians.

See reference links on the ANU Carshare website for further information about Australian and State Road Rules.
Before you drive

GreenShareCar Reporting Tool
A tool available to report any issues related to your booked vehicle and can be found on your account homepage or http://www.greensharecar.com.au/report/.

For convenient access, you can save this reporting tool as an icon on your phone and/or desk top by selecting ‘make desktop icon via browser setting.

Damage check.
It is essential that you check the interior and exterior of the vehicle for damage before and after you drive it.
Always read the vehicle pre/post drive checklist. Available on the ANU carshare website.
If damage is identified and you were the last Driver, you can be held liable for the costs. Refer to Table – Fees within the Driver Obligations and MUA.

Report damage
If you find any damage, use the GreenShareCar Reporting Tool to see if it has been reported. If it hasn’t, be sure to create a damage report or call them on 1300 575 878, particularly if damage identified before you start driving.
When reporting damage make sure to include type, size and area of the damage and which part or panel is affected. Use the terms driver’s or passenger’s side, as left and right can get confusing.
If possible get a photo of the damage and upload it into the Reporting Tool or email it to info@greensharecar.com.au

If you don’t report existing damage at the start of your trip, you may be held responsible for it and subsequent fees may apply.
Driving the vehicle

Accessing the vehicle

Your University ID Card provides you with access to Carshare vehicles.

To access the vehicle simply hold your University ID card against the card reader in the driver’s side bottom corner of the windscreen. You will see a Green light appear and hear the doors unlock. If you receive a Red light while swiping your card, contact GreenShareCar on 1300 575 878.

Note: The vehicles have an immobilser, therefore they can only be accessed if you have a valid booking with your Uni ID.

Keys

Keys are kept on a cord beneath the steering wheel. Make sure they are removed from the ignition and replaced on the hook/holder before exiting the vehicle. Leaving the key in the ignition will drain the battery and may incur a Fee, as will removing the keys from the vehicle.

Probationary licences

Probationary drivers can drive the vehicles if they have a minimum of 12mth experience. Drivers are required to supply their own “P” plate, clearly visible at all times and must comply with state regulations.
Returning the vehicle

When you return the vehicle, please make sure:

> the fuel tank is at least half full
> all lights and accessories are turned off
> the key is out of the ignition and on the holder/hook
> all personal belongings and rubbish have been removed
> the vehicle is clean and tidy
> all doors and windows are fully closed.
> any damage or incidents are reported.

Car needs a wash?

If a vehicle looks like it requires a wash, please let GreenShareCar know using the Reporting Tool or calling 1300 575878.

If you leave the inside or outside of the vehicle dirty, you may incur a Fee.

Designated parking space

If another vehicle is parked in the designated parking bay when you return, please contact GreenShareCar on 1300 575 878 for assistance and return the vehicle to #53 Garran Road, Fleet Services ANU carshare Office.

If you leave the vehicle parked in any location other than its designated parking space and it received a parking infringement or other fine, you will be responsible for payment of the infringement and an additional fee.

Locking up

When you’re ready to end your booking, use your University ID card to lock the doors. Once the car is locked, you have ended your booking.
Extending your booking

You can extend your booking if the vehicle you are using is not booked by another driver for that time period.

Booking extensions must be made before the current booking time period expires.

You can do this:
- by logging into your account at http://www.anu.edu.au/carshare or from a desktop or your smartphone.
- Call contact the GreenShareCar Call Centre for assistance on 1300 575 878 at least 20 minutes prior to the end of your booking.
- If you are in an area where there is little or no telecommunications, you will not be able to extend because the booking will not go through to the vehicle. We advise that you book sufficient time in these circumstances to avoid issues.

Make sure to extend your booking before it expires. You can’t extend an expired booking, you would need to make a new booking.

Cancellation policy
To cancel or change a booking log into your account and select the relevant booking under My Reservations.

Any bookings cancelled with less than 24 hours’ notice prior to the start of the booking will be charged at full price.

Changing vehicles with less than 24 hours’ notice will result in you being charged for both vehicles.

There is a one hour grace period after making a booking to make any changes or cancellations without incurring any additional charges.
The fuel card

Every vehicle has a Motorpass fuel card located in the black box, in the glove box.

Note: If you are driving a Jeep, you will need to untether the key to open the fuel cap when refuelling.

Where to refill

Most major service stations will accept GreenShareCar’s Motorpass fuel card. You can find your closest service station at www.motorpass.com.au or ask the attendant before filling up.

If you find you have had to pay for fuel yourself, please send a copy of the receipt to GreenShareCar info@greensharecar.com.au and you may be reimbursed, minus an administration fee.

Fuel type

The Fuelcard only accepts regular unleaded or E10. The Motorpass card will not accept other fuels. If you fill up with the wrong fuel it may cause an engine breakdown which is not covered by the vehicle warranty. If this occurs, you will be held responsible. Call GreenShareCar Call Centre on 1300 575 878.

Leave at least ½ tank

Always leave the car with at least half a tank of fuel at the end of each trip. Failure to do so may incur a Fee.

Always make sure to ask the attendant if the fuel card will be accepted before filling up.
Accidents, breakdowns and infringements

Accidents*
If you are involved in an accident:
> do not admit fault
> inform the police if another vehicle or person is involved
> take note of the other vehicle’s registration number, driver’s name, address and licence number
> write down any witnesses contact details
> secure the vehicle and turn on the hazard lights
> take photos of any damage
> report damage using the GreenShareCar Reporting Tool
> after doing all of the above, call GreenShareCar Call Centre on 1300 575 878.

Breakdowns and flat tyres
In the event of a mechanical problem, flat battery or flat tyre, pull over, secure the car and call GreenShareCar Call Centre on 1300 575 878. Do not attempt to resolve the problem yourself.

Infringements
You are responsible for traffic and parking infringements. Infringements should be paid directly to the issuing authority or organisation. If GreenShareCar receive an infringement incurred by you, you will be responsible for making payment and will incur an administration fee from GreenShareCar.

*Refer to the Insurance section of the MUA and call GreenShareCar on 1300 575878 to see whether insurance excess applies.
Useful Information:

1. Make sure you read and familiarise yourself with the Driver obligations (Business use) and MUA (Private use). Copies of these can be found on the ANU Carshare website and the GSC dashboard.

2. Read and understand when the Fees may apply – referring to the Fees Table in both the Driver Obligations and MUA.

3. Always check the vehicle before you drive – report any noticed damage.

4. Always report any damage or accident the vehicle may be involved in during your bookings period.

5. Watch the GrrenShareCar familiarisation video located on the ANU Carshare website to help understand how to access and drive the vehicles.

6. Look after the vehicle throughout the whole booking period.

Booking questions

Q: How do I make a booking?
Go to the ANU carshare website https://anu.edu.au/carshare and click on the ‘Register/make a booking’ grey button. Then follow the prompts.

Q: I need to cancel my booking, will I need to pay?
Any bookings cancelled with less than 24 hours’ notice prior to the start of the booking will be charged at full price.
There is a one hour grace period after making a booking to make any changes or cancellations without incurring any additional charges or cancellation fee.

Q: I need to change the vehicle type that I have booked?
You can do this, but if there is less than 24 hours’ notice will result in you being charged for both vehicles.

Q: How to do I access the vehicle?
All vehicles are accessed by touching the pad/reader on the lower driver side corner of the windscreen with your University ID. You will see a green light and hear the doors unlock. If you get a red light, call GreenShareCar on 1300 575 878.

Q: Can I make re-occurring/multiple bookings?
Yes, you can make multiple bookings at one time as required, but there is not a re-occurrence functionality, so if you were to travel at the same day and time on a regular basis, you would need to make separate bookings.

Q: Can I make a booking for a period longer than 7 days?
Yes you can, the web booking tool enables you to book an unlimited number of days.
Q: My booking has ended and I have left an item in the vehicle?
Your card may still give you access to retrieve the vehicle if you realise immediately after locking the vehicle. If it will not unlock, contact GreenShareCar on 1300 575878 who will be able to remotely unlock the vehicle. Alternatively, contact the ANU Carshare team on 6125 7051, who can come and open the vehicle for you.

Q: My meeting has over run, I need a longer booking period?
If you need to extend your booking, please refer to the relevant section in this guide. Note, this needs to be done preferable 20 minutes before the booking expires and will only be approved if there is not a booking immediately after?

Q: I'm late getting to the vehicle and my booking has expired?
If you are locked out of the vehicle, please call Green share car on 1300 575 878. It is important to note when making your booking, that it is better to over book a time if you have any concerns about how long you’ll need.

Q: I arrived at the vehicles ANU location and the car is not there?
In the first instance, check that the vehicle is not in another car park space nearby, because it may be that the previous user was not able to return it to the original spot and failed to inform us to let the next users know.
If you are unable to see it, call GreenShareCar on 1300 575 878.

Q: Modification emails and texts:
If GreenShareCar have had to change the vehicle you are driving due to a previous user issue/fault, GreenSharecar will notify you either by phone call/text and/or email.
Please ensure that you read these messages when received and also please ensure that GreenshareCar have your current contact details.

Price questions

Q: Why is a pre-authorisation fee taken?

A $50 pre-authorisation fee is taken when a private booking is made. This is returned in full, 7 days after the booking is completed, unless any fees are incurred, then the fee is deducted using this $50. If you make an additional booking within that 7 day period, the same $50 applies, but thereafter, $50 will be re-applied.

Q: How do I pay for the booking?

If you are a business user, ensure when you make a booking you are under ‘business’ in the web booking tool and you must provide your School/College GL Code.

For private users, again ensure that you are under ‘private,’ and you will need to provide your credit card details authorising the payment.

When you enter the Web Booking Tool to make your booking, you will see hyperlinks at the top that allow transition between to the two types of bookings.

Q: When do I incur an additional fee?

Refer to the Fee Schedule to the MUA and Driving Obligations.

These explain the instances when a fee will be incurred. The most common causes for fees are; for leaving the car unlocked, leaving the keys in the ignition, for bringing the vehicle back late, not refilling the vehicle with half a tank of petrol, bringing the vehicle back dirty/unclean and excess kilometres driven.

Q: I have noticed that there is a discrepancy with the amount I have been charged.

If you notice that there may be an issue with the booking charges, please email info@greensharecar.com.au and a GSC representative will manage this for you.
Q: I need a refund?

If it appears that you require a refund from a GSC booking. Refunds can only be made to a nominated bank account. If you are a business user, you will have made the payment with a GL Code, you will need to provide a College business bank account details. If you are unable to do this, GSC do have the ability to re-credit your GSC account or ANU carshare can amend the amount in the monthly journal process.

For private booking, you will have made the booking with your credit card, you will need to supply a bank account to where the funds can be refunded, GSC manage this process entirely because it’s a private booking between yourself and GSC.
Vehicle Operation questions:

Q: Are the vehicles Automatic or Manual?

All ANU carshare vehicles are Automatic. Please make yourself familiar with how to drive the vehicle before driving.

Q: Where can I park the vehicle?

You can park the vehicles in any ‘Authorised’ parking space around the campus for free. These are identified by a Red authorised signage at the parking bay. If you receive a fine for parking the vehicle illegally, you will be liable.

It is important to always return the vehicle after the booking at ended to its original parking bay for the next user. If this parking bay is unavailable, please return to #53 Garran Road, inform the ANU carshare team who will deal with the matter.

Q: The vehicle will not open?

Try re-swiping your ANU ID card on the card reader again. If you receive a Red light Contact Green share car on 1300 575 878. Sometimes the booking may not have correctly been sent through to the vehicle and may need to be resent to gain access.

It extreme cases, the vehicle may have a flat battery i.e. if previous user left the key in the ignition or the lights on. GreenShareCar will endeavour in this circumstance to change your booking to another vehicle.

Q: The vehicle will not lock?

Try re-swiping your ANU ID card on the card reader again, if this does not work contact Green share car on 1300 575 878. It is important that the car does not remain unlocked when you are not with it.

Q: I’ve locked the vehicle from the inside and I’m locked out?

Contact Green share car on 1300 575 878.
Q: The car will not start?

In some instances the vehicle may be immobilised therefore try re-swiping your ANU ID card on the card reader again, you can do this from inside the vehicle, and you should hear a beep. If no success, Contact Green share car on 1300 575 878.

Q: The vehicle isn’t in the car parking bay for my booking?

Possibly the person before you is running late or has parked the vehicle in a different location. In most circumstances GreenShareCar are made aware of this and can notify you in advance. In the first instance check a nearby location and if you are unable to see the vehicle contact GreenShareCar on 1300 575 878.

Q: The vehicle is damaged/unacceptably dirty?

Any damage to the vehicle identified before use or after must be reported to GSC either via the Reporting Tool or calling them on 1300 575 878.

Q: The car has less than 50% fuel?

To avoid incurring a fee, if you notice that the vehicle has less than half a tank of fuel before you start your journey, you must contact GSC on 1300 575 878 before your drive the vehicle and refuel so that when you return it has minimum half a tank of fuel for the next user.

Q: There is no fuel card in the vehicle/Fuel card did not work?

You will need to pay for the fuel yourself, report the issue to GSC and seek reimbursement for the cost. Forward the tax invoice to GSC, who will credit your account, less the administration fee (Refer to Fee Tables).

You must report the issue before you use your personal card to obtain authorisation by calling 1300 575878, note the name of the personnel at GSC who your spoke to and authorised the use of own funds. Reference the name of the GSC personnel when you send in the tax invoice.
Failure to reference the authoriser’s name may result in no credit being allocated. It is also important to note that you have 30 days to use reimbursed credit.

Q: The car has broken down/has a flat tyre/flat battery/mechanical fault?

You must call GSC on 1300 575878 and remain with the vehicle until the matter has been resolved with GSC. If you leave the vehicle unattended you may incur fees.

Q: My booking has terminated and I am unable to lock the Vehicle using my Uni ID?

Contact Green share car on 1300 575 878.

Q: Do you have vehicles that have towbars?

Yes, the Hyundai Elanta, Jeep and Commuter Bus all are fitted with towbar’s.

Q: Do you have vehicles that roof racks available?

No, we have no vehicle that have roof racks.

Q: Do the vehicles have car seats?

No, you would need to provide your own child car seat that are in accordance with State legal requirements. All vehicles have the restraint anchor points required to fit a car seat/capsule securely.

Accident questions:

Refer to the Accidents, breakdowns and infringements sections of this quick guide on page 9.

In addition refer to either the MUA (private booking) or the Driver obligations (business bookings) for further information.

If unsure please Contact Green share car on 1300 575 878.
Driving Licence questions:

Q: Who can drive the vehicle?

ANU Staff, HDR Students and Students who are approved registered members with GreenShareCar can drive the vehicle. For long distance travel, other 'registered' members may also drive, but the member who made the booking must be present to open and lock the vehicle.

Q: My licence has expired/I need to update my licence details?

Contact GreenSharecar on 1300 575878, who will request an updated copy of the front and back of your driving licence to update your account.

Q: I hold an international licence, am I able to drive?

Yes, as long as your licence is applicable to drive in that State and you have 12mths or more driving experience. If your driving licence is not in English, GreenShareCar may ask that you provide a translated copy.

Q: What driving experience do I need to be approved?

All drivers must have a minimum of 12mths driving experience. This also applies to drivers with a 'P' plate. If unsure please call GreenShareCar on 1300575878.

Yes you can. The web booking tool has the capacity for users to have unlimited booking capacity.
Q: I am driving to Tidbinbilla, which I know is a in a weak tele-communication areas, what do I do if I have a vehicle issue?

All the vehicles operate via tele-communications, therefore in remote/black spot areas, communication with the vehicle can be lost.

If you know you are driving in a remote area, please ensure someone knows where you are travelling and make sure that you book the vehicle for a long enough duration that you are not locked out of the vehicle. You will always have access to you the vehicle during the booking period, but may not be able to extend your booking.

Q: How do I access and use the Reporting Tool?

However, using any smartphone you are able access the site by going to http://www.greensharecar.com.au/report/ , you can then save this page as an icon on your phones desktop by selecting ‘make desktop icon’ via browser settings.

Note: The companion app is a reporting tool only for damage to a vehicle, if in an accident, car needs cleaning etc.

Q: What happens when I drive on a Toll Road?

ANU carshare vehicles are not fitted with e-TAGs, therefore if you drive on a Toll road, purchase the Toll in advance of your travel. If GreenShareCar receive an invoice for a Toll payment, this will be forwarded via invoice to the driver/GL code to pay the costs of the Toll plus an admin fee.

Q: Can more than one driver drive the vehicle on my account?

Yes, they just need to also register as a member, and the person who made the booking needs to be with the vehicle at all times to open and lock it.
Q: What if I am driving more than 150km during my booking, is this included?

To give some guidance please refer to the below table:
