

**Students undertaking practical/ community placement, work experience field assignments or research projects**

Students engaged in practical training approved by the University including practical/ community placement, work experience, field assignments or research projects are covered by the following insurance policies:

- Group Personal Accident
- Public Liability
- Professional Indemnity
- Travel

Prior to commencing the activity students are required to complete the [students activity approval form](#) and have it signed by the relevant Head of Department, Course Convenor or Program Convenor. The form is to be emailed to the Insurance Office at [insurance.office@anu.edu.au](mailto:insurance.office@anu.edu.au)
