Certification by Lead Chief Investigator -

Certification by Lead Chief Investigator

I certify, on behalf of all investigators named on the proposal, that:

- i. To the best of my knowledge and belief, any real or apparent conflicts of interest regarding this proposal have been fully disclosed and agree to comply with any actions necessary in removing or managing a real or perceived conflict of interest.
- ii. All investigators have confirmed that they are eligible to for this proposal and have the time available to complete the project as required.
- iii. All details in the proposal and attachments are complete and correct, and comply with funder rules and guidelines;
- iv. Should the project price in the contract/agreement not mirror the project price approved by this certification process, a revised budget will be provided and approved before the related contract/ agreement documents are provided to the delegate for signature.
- v. All statutory requirements will be met and ethics approval will be obtained before proposed project commences.
- vi. All Investigators have agreed to follow funder terms and conditions, and University policies and procedures.
