Submission extract:

Examples of incorrect and correct referencing
Plagiarism: same words, no citation Apples are widely known to have great health benefits. Many beneficial health effects are thought to result from eating apples; however, two forms of allergies are seen to various proteins found in the fruit. These allergies include...
Correct referencing: same words, quotation marks, citation: Apples are widely known to have great health benefits. As one author states, "There has been a growing appreciation and understanding of the link between fruit and vegetable consumption and improved health" (Hyson 2011, 408). This can be seen in the case...
Misquotation: different words According to some authors, detailed "knowledge of the polyphenol profile and contents in different apple cultivators is necessary in order to make an evaluation of apples' potential beneficial health effects" (Ceymann et al. 2012, 128). We can ascertain the...
Incorrect paraphrasing: same words Mean Girls is a film in which a number of characters are shown eating apples. While the film remains a relevant pop-cultural reference point and a go-to source of shorthand for female and human dynamics, the representations of the characters' diets are overlooked in many analyses (Angelo 2014).
Correct paraphrasing: same idea, different words, citation It is largely recognised that in Western countries such as Scotland, Australia, and Portugal, apples make up a large proportion of the fruits that people eat (Ceymann et al. 2011, 1774).

- After you have submitted your work, you may view the originality report. You may be provided with a revised Originality Report for your re-submitted assignment, however, you will only see **one Originality Report in each 24hr period.**
