QUICKMARK COMMENTS

QuickMarks are common or standard editing marks you can use as you review and grade your student's submission.

They are stored in sets on the QuickMark manager.

To use the QuickMark tool, select your set.

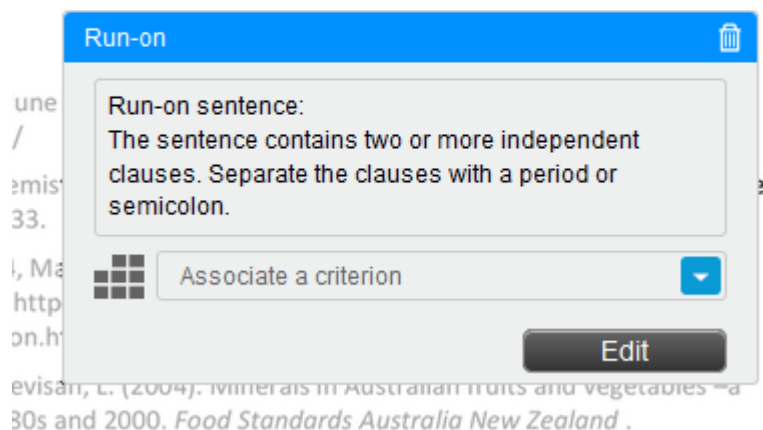

Find the area in the assignment that you want to add a QuickMark to. There are 2 ways to add the mark.

1. Highlight the text and select the QuickMark.
- or
2. Drag the QuickMark to an area of the assignment.

Hover over the mark to read the explanation.

the added advantages of versatility and excellent availability, than oranges. Further research into these factors may reveal more the meantime, however, current research suggests that both their could be promoted.

<p>Click Edit to leave your comment then Save.</p>	 <p>A screenshot of a comment dialog box. At the top, there is a text area containing a paragraph of text: "logical connection between them. Generally speaking, the way your paragraphs relate to one another displays how sound your argument really is. A paragraph that begins with 'also' or 'in addition' offers a weak transition from the previous point, even though it may develop a highly interesting and related point." Below this text area is a dropdown menu labeled "Associate a criterion" with a blue arrow icon. Underneath is a section titled "Additional Comments" with a text input field containing the placeholder "Enter comment here". At the bottom are two buttons: "Save" (blue) and "Cancel" (grey).</p>
<p>To add a standalone comment, click anywhere on the assignment text.</p> <p>Type your comment on the text field of the comment box that will appear.</p>	 <p>A screenshot of a standalone comment dialog box. It features a blue header bar with a white speech bubble icon. Below the header is a text input field with the placeholder "Enter comment here". Underneath is a dropdown menu labeled "Associate a criterion" with a blue arrow icon. Below the dropdown is a blue link that says "Save as new QuickMark". At the bottom are two buttons: "Save" (blue) and "Cancel" (grey).</p>
<p>Criterion section</p> <p>If you've attached a rubric you can associate a criterion with each mark.</p>	 <p>A screenshot of a comment dialog box with a criterion dropdown menu open. The dialog box has a blue header bar with a white speech bubble icon and a text input field with the placeholder "Enter comment here". Below the input field is a dropdown menu labeled "content" with a blue arrow icon. The dropdown menu is open, showing a list of options: "purpose", "content" (highlighted in blue), "ideas", "evidence", and "summary". At the bottom left of the dialog box is a blue link that says "Save". At the bottom right are two buttons: "Save" (blue) and "Cancel" (grey).</p>

<p>Click Save to complete your comment/s.</p>

 Below the table is a large empty grey area. At the bottom of the interface, a toolbar contains a 'QM' icon, a bubble icon, a list icon (circled in green), and a grid icon." data-bbox="398 487 907 778"/>

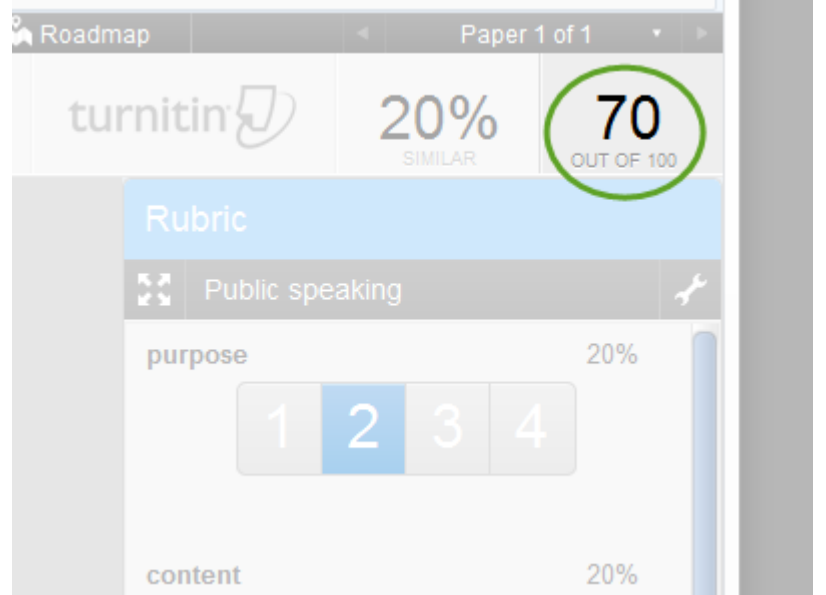

RUBRICS

The **Rubrics** button  found at the lower right of the document viewer displays the rubric attached to the assignment. You can use it to grade the assignment by clicking on the corresponding criterion value.

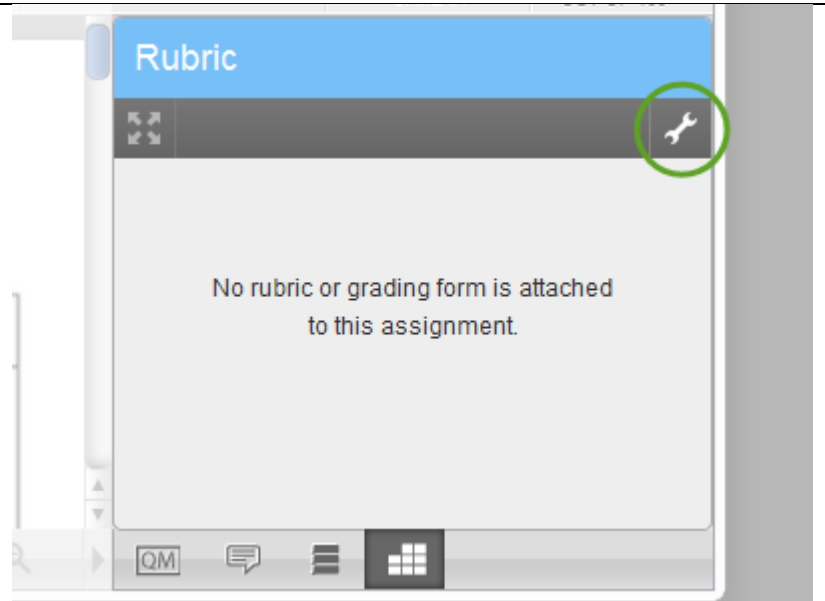

When you're done grading, click on **Apply rubric percentage to grade**.

It will update the score next to the Similarity Index.

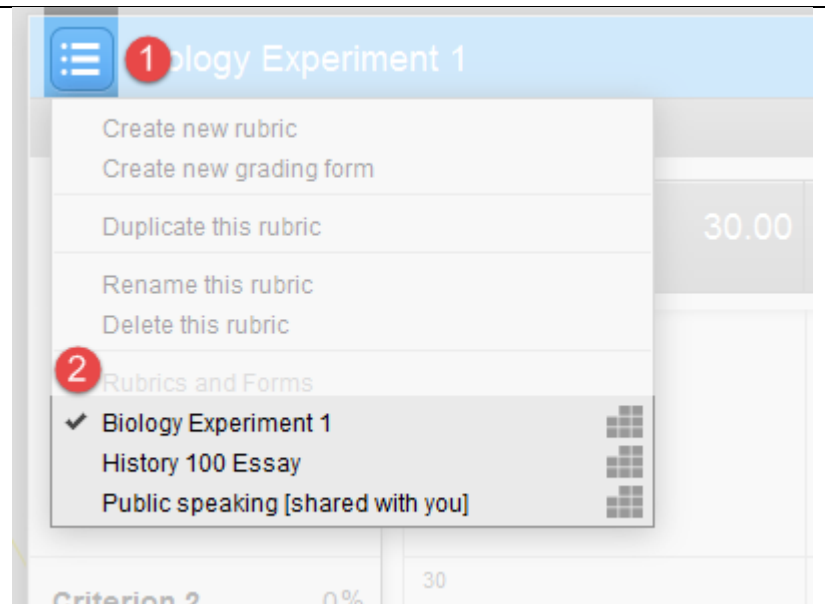

If no rubric has been attached to the assignment yet, click on the icon of the **wrench** to open the Rubric/Form Manager.

Click the **View available rubrics and rubric options** button  on the upper left of the window.

This will display all the available rubrics. Choose the appropriate rubric.

On the upper right of the Rubric/Form Manager window click the **Attach this rubric to this assignment** button and close the window.

The rubric is now attached to the assignment.
