1. How to log in to TM1

- Go to [TM1 web](#) or type the following TM1 address into the Firefox's or Internet Explore's address bar: <http://insight.anu.edu.au:9510/tm1web>.

- Enter your University ID (including "U" at the front) and UDS password (HORUS password) then click on the *Sign in* button.

A screenshot of the 'Log in to ANU Insight' page. At the top left is the Australian National University logo. The title is 'Log in to ANU Insight'. Below this is a 'Log on' section with the text 'Please type your credentials for authentication.' There are three input fields: 'Namespace:' with 'UDS' entered, 'User ID:' with an empty field, and 'Password:' with an empty field. Below these are 'Sign in' and 'Cancel' buttons. At the bottom, there is a disclaimer: 'Access or use of this system for purposes not specified by The Australian National University policy is strictly prohibited and may result in legal action.' followed by a security notice: 'Ensure the security of the University's information by logging out and closing your browser at the end of your session.' and contact information: 'To arrange access to the system, receive support or for general enquiries, please contact the Insight service desk at insight@anu.edu.au.'

- If you have any difficulties, send the details on the issues with a screen image(s) to TM1@anu.edu.au.
