

Log on to Concur

Link 1) Select, Copy and paste this link into your browser address bar:

<https://services.anu.edu.au/information-technology/software-systems/concur-expense-management>

The screenshot shows the Australian National University Services page for Concur Expense Management. The page includes a search bar, navigation tabs for various services, and a main content area with the following sections:

- Business owner:** Finance & Business Services
- Description:** Concur Expense Management is a cloud based system used by the ANU for purposes of managing transactions including ANU Purchase Cards and reimbursements. Through the use of both mobile and desktop technology the system allows for receipt management, processing of expense transactions and workflow approval. The application integrates with other enterprise systems.
- Security notice:** To help ensure the privacy of your information, be sure to signout and Exit/Quit/Close your browser at the end of your session.
- Access or use of this system for purposes not specified by The Australian National University policy is strictly prohibited and may result in legal action.**
- Logon credentials:** Your logon credentials for Concur are:
 - User Name: your ANU ID (eg. U7654321)
 - Password: your HORUS/SIS/Wattle password
- User guides:**
 - Additional Support
 - Approval Process
 - Expense Claims
 - Getting Started
 - Mobile Apps
 - Receipt Management
- Policies:**
 - [Acceptable use of Information Technology](#)

From the Concur Expense Management homepage, click
